

The Navigating Care Portal Upgrade Home Page

Overview

The home page of your upgraded NavigatingCare™ patient portal is more mobile-friendly and comes with quick action links to access important areas of the portal with just one click.

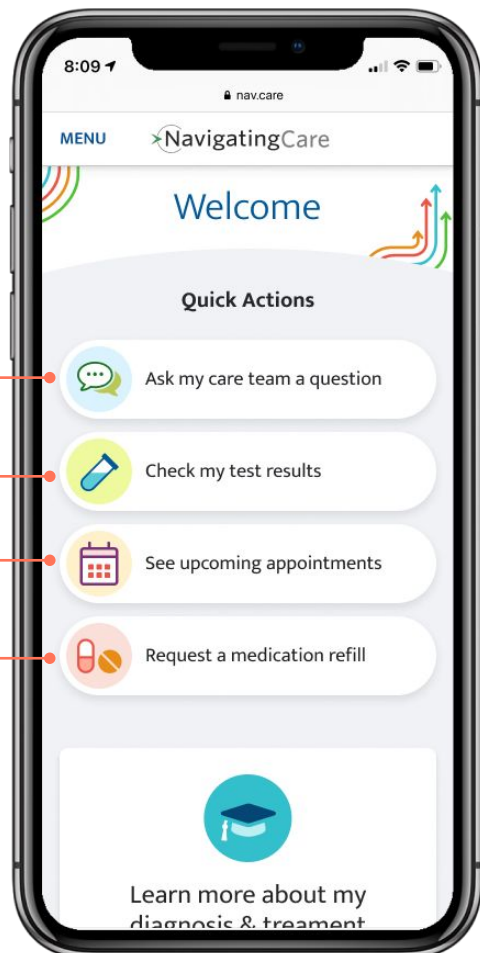

Quick Actions links you to valuable areas of the Portal

Send a secure message to your clinic and care providers

Review your latest test results

View a calendar of upcoming appointments with your clinic

Send a secure message to request a prescription refill (if applicable)

The **Menu** will guide you to all areas of your portal

MENU

✕ NavigatingCare

Learn more about my diagnosis & treatment

Find personalized education & resources from WestEdge Healthcare tailored to help you in your care journey.

[Go to My Education](#)

Access **Education** articles and information related to your diagnosis and treatment plan

Welcome to Navigating Care

Welcome to Navigating Care, West Edge Healthcare's patient portal and digital care companion. Now you can easily contact your doctor's office, track your health status, and get patient education and other helpful content.
